

Tiger Leader Go See It Handbook

Etowah District

Mecklenburg County Council, North Carolina

Compiled by [Catherine Howard](#), Pack 144, June 2013

About This Handbook

There are four sections to this handbook:

- **Contact information for the Packs within the Etowah District**, for which this handbook was written. Any time you have a question or want to check with other Packs about how they deliver successful Go See Its, feel free to reach out to other Packs through the listed Cubmaster.
- **Guidelines and Suggestions** for planning successful Go See Its. Use these tips to plan and execute easy, fun, and meaningful Go See It trips for your Tiger den.
- **Suggested Go See It Locations** for den meeting requirements. These lists include possible locations you can visit, divided according to the meeting plan in which they occur. Click the title link to open the den meeting plan that includes the visit. These lists are customized for the Etowah district.
- **Additional Go See It Locations** for non-meeting electives. These visits are not part of the den meeting plans and are optional. The den may choose to incorporate these additional Go See Its into their schedule as they see fit, or Tigers may choose to visit these locations individually with their adult partners.

This handbook has been compiled as a resource for all Cub Scout Packs within the [Etowah District](#) of the [Mecklenburg County Council](#). If you have suggestions for additions, corrections or improvement, please email [Catherine Howard](#).

Guidelines and Suggestions for Successful Go See Its

Suggestions to Make Your Go See It a Success

- ✓ Schedule the first (or first several) Go See It(s) yourself. These visits come early in the Scouting year and they may need to occur before you have your parent helpers engaged.
- ✓ Depending on the size of your den: (a) ask different parents to be in charge of each visit, or (b) ask one parent to be in charge of all Go See Its for the year. If parents have expertise or an “inside track” at any visit locations, use that resource to your advantage. Emphasize to parents the importance of scheduling in advance and reconfirming the visit details again before the visit.
- ✓ Schedule the visit 2-3 weeks in advance.
- ✓ Get a contact name and number so you can reconfirm the visit 3-4 days prior to its scheduled date. Explain the purpose of your visit and that you’ll be bringing first graders and their adult partners. Ask for a 20- to 30-minute tour, followed by a time during which the Scouts may ask questions.
- ✓ You don’t need to think big to have a big impact; sometimes a smaller, local organization can deliver a more customized visit for your Scouts.
- ✓ Once the visit is initially scheduled, communicate visit details, location, directions and time to adult partners and their Tigers.
- ✓ Have a game, skit or song and an alternate meeting plan ready, in case the visit is unexpectedly delayed or cancelled.
- ✓ At the next meeting following the visit, make a “Thank You!” card for all the boys to sign to thank the people you visit in writing.
- ✓ Keep notes of what locations worked well for your Pack, and share them with next year’s Tiger Leader!
